Description

**** SOLD SEPTEMBER 2024 ****

Exclusive to Spanish Property Choice, we are delighted to be able to offer you an opportunity to buy this beautiful 3 bedroom, 3 bathroom villa, located in a much sought after urbanisation. The property is just a short drive to the traditional village of Arboleas, which has all the necessary amenities along with a weekly street market.

The bigger town of Albox is just a 5 km drive, and the beautiful beaches of Mojacar and Vera Playa are only a 35-minute drive.

Access into the property is via large gates that leads onto a paved car parking area. The main entrance door into the villa is found at the front of the property and leads into a short hallway.

Directly to the right, is a large double bedroom. This is a spacious room with fitted wardrobes and an air conditioning unit. The en-suite bathroom consists of a hand basin, toilet and a full sized bath tub with an overhead shower and is tiled for easy maintenance.

Heading back to the hallway and to the left through a small archway leads to the additional bedrooms and bathrooms. To the left is a good-sized room currently used as a twin room with built-in wardrobes. An air conditioning unit and ceiling light with a fan provides that climate control.

Adjacent to this bedroom is the family bathroom with a toilet, hand basin, full size bath with an overhead shower. The bathroom is tiled for easy maintenance.

Heading forward from here leads into the master bedroom and en-suite shower room. This room is very spacious with a double door leading out to the terraced swimming pool area. An air conditioning unit and a ceiling light with a fan provide climate control. The room has built in wardrobes and sufficient space for additional bedroom furniture if needed.

The en-suite shower room has a walk in shower, toilet, hand basin and is fully tiled for easy maintenance.

Returning to the living-dining room; this is a lovely spacious room with dual aspect double doors that lead directly onto the fully tiled terrace and swimming pool area. A feature log burning stove compliments the room to provide warmth during the cooler winter months.

The independent kitchen is located just off the living room. This is a good size with a great range of wall and base units plus appliances. A serving hatch from the kitchen to the living room enables communication between the two rooms. A door leads off the kitchen to a small room where the owners have located the washing machine. From this room, an external door leads to the car parking area.

The property is located on a great plot size with numerous terraced and garden areas that are planted with well-established shrubs. It has beautiful views of the surrounding countryside. The private swimming pool and a hot tub with a relaxation area compliment this villa making it an ideal property for either a permanent residence or holiday home.
