Description

****SOLD****

This stunning duplex, situated in the renowned golf community of Valle del Este, offers a unique blend of luxurious living and access to a variety of amenities.

Valle del Este is not just a golf course; it is a well-established community that boasts bars, restaurants, a 4-star hotel with a spa, and restaurant facilities. Residents and guests can indulge in these facilities, creating a lifestyle that combines leisure, relaxation, and outdoor activities.

The location also provides convenience with a small commercial center, and a short drive will take you to the local town of Vera. Vera offers everything you need, including supermarkets, banks, bakeries, fishmongers, and butchers, ensuring that daily essentials and leisure activities are easily accessible.

Access to the duplex is through a private garden, creating an inviting outdoor space that captures the essence of Spain's outdoor living. The garden features established trees, plants, and sitting areas, wrapping around the property to provide lovely open views of the golf course and the serene lake area.

Upon entering the property, a bright and well-equipped kitchen greets you on the right, offering ample storage and a range of white goods. A separate utility space, housing the boiler and providing room for a washing machine and tumble dryer, adds practicality to the layout. The living area, bathed in natural light through three sets of glass patio doors, is spacious enough for both dining and lounge areas. A guest bathroom on this level adds to the convenience.

The upper level, accessible via an open plan staircase, features a family bathroom with a walk-in shower, hand basin, and toilet.

The three bedrooms are well-appointed, each offering natural light, ventilation, and fitted wardrobes.

The second double bedroom provides access to a small balcony with captivating views of the golf course and lake.

The main bedroom comes with an en-suite, featuring a bathtub with an overhead shower, Jack and Jill hand basins, bidet, and toilet.

Returning to the main living area, a covered seating area provides a sheltered space with views of the garden and golf course. The outdoor experience continues with a set of steps leading to another seating area, offering privacy amidst trees and panoramic views.

Additional features include a garage space measuring 9.55m² and a large trastero (store room) for storage.

The property is equipped with air-conditioning, providing both hot and cold functionalities for temperature control.
